The Rotary Club of Valdese Foundation is requesting sponsorship for the annual Big Breakfast and Annual Auction. We are a 501(C)3 tax deductible organization.

Funds raised in this event are given to local students for scholarships. Many of these students would be unable to afford higher education without the assistance we provide. We are also involved in other local and international service projects such as providing food for backpacks, providing books at elementary school summer reading program, Stop Hunger Now and many more worthwhile projects. The majority of these funds benefit K-12 students.
